 The Sub-Fund will generally invest in equity securities of established companies listed on securities exchanges worldwide, but also may invest in securities traded on any regulated market which operates regularly and is recognised and open to the public. The Sub-Fund may also invest in debt securities convertible to common stocks, convertible and non-convertible preferred stock and fixed income securities of governments, government agencies, supranational agencies and companies. Under certain circumstances, the Sub-Fund may also invest in zero coupon securities and securities of other collective investment schemes. The Sub-Fund may also invest indirectly through EDRs, GDRs or ADRs. The Sub-Fund currently offers Units in Class A, Class B and Class I. Currently, the Managers do not intend to make distributions in respect of the Sub-Fund.

¹ The Prospectus is available from the Managers (at 10 Collyer Quay #26-01, Ocean Financial Centre Building Singapore 049315) and their authorised distributors during normal business hours. ² Expense ratios are not available for the other available classes as at this date.

	APPENDIX: GLOSSARY OF TERMS				
Business Day	Any day (other than a Saturday, Sunday or public holiday) on which commercial banks are open for business in Singapore, the Federal Reserve is open for business in the United States of America and the New York stock exchange is open for trading, or any other day as the Managers and the Trustee may agree in writing.				
Dealing Day	In connection with the issuance, cancellation and realisation of Units, means every Business Day.				
EDRs	European Depository Receipts represent interests in the equity securities of European companies. EDRs may be issued in connection with either sponsored or unsponsored facilities. Unsponsored facilities are created by a depository bank or trust company without the participation of the private issuer. Sponsored facilities are created in the same manner as unsponsored facilities except that they are established jointly by the depository bank or trust company and the private issuer enters into a deposit agreement with the depository bank.				
FDIs	Financial derivative instruments.				
GDRs	Global Depository Receipts are financial instruments that private markets use to raise capital denominated in U.S. Dollars or Euros. A bank certificate is issued in more than one country for shares in a foreign company, and a foreign branch of an international branch holds the shares. The shares trade as domestic shares, but are offered for sale globally through various bank branches.				
Launch Date	The earliest launched class that is offered under the Prospectus.				
NAV	Net Asset Value of a Unit of the Sub-Fund or Class (as the case may be), determined in accordance				

	with Clause 10 of the trust deed for iFAST Premier Investments Funds.	
p.a.	per annum.	
SRS	Supplementary Retirement Scheme.	
Units	Units in the Sub-Fund.	
Valuation Point	The close of business of the last relevant market to close on a Dealing Day or such other time on that day or other day as the Managers may determine with the prior approval of the Trustee.
