

Invesco Asia Consumer Demand Fund

29 February 2024

Important Information

- The Fund invests in equity securities of Asian companies whose business is likely to benefit from, or is related to growth in domestic consumption in Asian economies, excluding Japan.
- Investors should note the emerging markets risk, liquidity risk, concentration risk of investing in Asian companies whose business is likely to benefit from, or is related to growth in domestic consumption in Asian economies, excluding Japan, risk of investing in REITs, currency exchange risk, equities risk, volatility risk, and general investment risk.
- Financial derivative instruments (FDI) may be used for efficient portfolio management purposes or to hedge or reduce the overall risk of investments. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk. The leverage element/component of a FDI can result in a loss significantly greater than the amount invested in the FDI by the Fund. Exposure to FDI may lead to a high risk of significant loss by the Fund.
- The value of the Fund can be volatile and could go down substantially.
- Investors should not base their investment decision on this material alone.

Objectives and investment strategy

The objective of the Fund is to achieve long-term capital appreciation by investing primarily in equity securities of Asian companies whose business is likely to benefit from, or is related to growth in domestic consumption in Asian economies, excluding Japan.

*At Invesco we continuously monitor any applicable sanctions, including those imposed by the UN/US/EU and UK. These sanctions may preclude investments in the securities of various governments/regimes/entities and as such will be included in our compliance guidelines and workflows (designed to ensure compliance with such sanctions). The wording of international sanctions is something that we pay particular attention to as there are occasions where sanctions can exist in limited form, for example allowing investments in the secondary market. In addition to sanctions targeting entire countries, there are other thematic regimes, which may focus for example on human rights, cyber attacks, terrorist financing and corruption, which may apply to both individuals and/or entities/corporations.

Any investment decision should take into account all the characteristics of the fund as described in the legal documents. For sustainability related aspects, please refer to: <https://www.invescomanagementcompany.lu/lux-manco/literature>.
